# ABOUT US

OPTIMERS AQUA SOLUTIONS is an organized corporation currently existing under the laws of Chennai in Tamil Nadu.

The Founder and Chief Executive Officer of OPTIMERS AQUA SOLUTIONS is Ms. Nirosha Parimannan.

OPTIMERS AQUA SOLUTIONS was established in 2022 and has since committed itself to specializing in providing Consultancy service for Aquaculture.

We are committed to prioritizing our clients' interests and providing effective solutions to help them achieve their goals.

Our expertise includes assisting in obtaining Coastal Aquaculture Authority (CAA) licenses and registrations for farms and aquaculture products.

We also provide support for GMP, HACCP, and ISO certifications, helping clients meet regulatory requirements and achieve sustainable growth.

# OUR GOAL

At Optimers Aqua Solutions, we believe in consulting with purpose. Our dedicated professionals are committed to delivering results and providing exceptional service to our clients. We pride ourselves on our honesty, positivity, and professionalism. We strive to lighten the load off your shoulders by providing the necessary capability, adaptability, scalability required for successful projects

Throughout India, we have a growing base of satisfied customers who have benefited from our services. We encourage you to reach out to us today to set up a meeting and discover how we can assist you. We aim to be genuine, remarkable, and worth connecting with, ensuring that your experience with us is both valuable and rewarding.

# STRATEGIC COLLABORATIONS:

We partner with NABL-accredited laboratories to provide reliable testing and analytical services. Additionally, we collaborate with recognized certification bodies to support certifications such as ISO, GMP, and HACCP, ensuring a seamless and efficient compliance journey for our clients.
